Personal medications

Gloves and masks

Sanitizer

Sunblock

Insect repellent

Reference: 3rd ASEAN- ERAT Induction Course

Personal Preparedness

Mobile
phones/
smart phones

Laptop

Video/ digital
camera

Reference: 3rd ASEAN- ERAT Induction Course

Important

- Inform the immediate family members about the sudden departure for a mission.
- All personal concerns should be settled.
- Undertake anticipatory actions to prevent you from being distracted or pre-occupied while on mission.

Reference: 3rd ASEAN- ERAT Induction Course

PRE-DEPARTURE ARRANGEMENTS

Arrangements by the EOC

- Organize and brief the RDANA Team.
- Update and save all the contact details of the Team members.
- Identify the contact person of the RDANA Team and their rendezvous point upon arrival in the area.

EOC Briefing Agenda

- Current situation
- Objectives
- Team roles and responsibilities
- Available resources
- Reporting system
- Other information

Important

The EOC must provide the Briefing File and Mission Kit to the RDANA Team before leaving.

RDANA MISSION KIT

RDANA Mission Kit

Office and Photographic Equipment

Computers, printers, facsimiles, cameras with geo-tagging functions, etc.

RDANA Mission Kit

Voice Communication Equipment

Portable radios, fixed and mobile phones, satellite phones, etc.

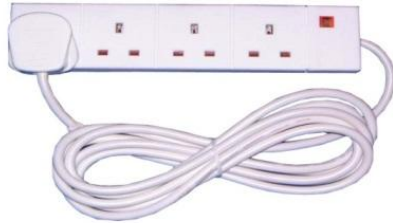

Reference: 3rd ASEAN ERAT Induction Course

RDANA Mission Kit

Miscellaneous Equipment

DC to AC inverter, power extension cords, adapters, surge protector, SW Radio, transport cases etc.

Reference: 3rd ASEAN ERAT Induction Course

RDANA Mission Kit

Data Communication Equipment

BGAN, 3G Wireless Routers
etc.

Navigation Devices

Hand-held GPS devices, etc.

Reference: 3rd ASEAN ERAT Induction Course

Global Positioning System

GPS is a satellite- based navigation and precise- positioning tool system that enables you to locate your position on the earth at anytime, anywhere and in any weather condition.

GPS Unit

GPS Unit

How to use the GPS unit:

1. Initialize GPS unit
2. Check satellite coverage
3. Check position format
4. Plot location on the map

credit: Basis 51

GPS in RDANA

- To determine exact location of the impacted area
- To identify exact location of areas that need priority response
- To plot the safest routes
- To identify hazardous/unsafe locations

BRIEFING FILE

Briefing File

The success of RDANA depends on thorough planning and preparation, which start from the Briefing File

Contents of Briefing File

The Situation:

- Latest Situation Reports
- Latest Press Release
- Other secondary data

Area

Information:

- Area Profile
- Baseline Data

Contents of Briefing File

Maps

- Provincial/municipal/city maps
- Maps of the affected area

Correspondences

- Official directive to conduct RDANA
- Other important communications (e.g. official request for augmentation)

Contents of Briefing File

Assessment Tools

- RDANA form
- Attendance sheet
- INAC
- Writing materials

 credit: shutterstock

Contents of Briefing File

Others:

- Contact details of all team members
- References on cultural practices to be observed in the area
- Safety plans
- Other relevant disaster reports

EXPECTATIONS IN THE FIELD

Upon Arrival

- Regroup, especially if some members were not able to report at the EOC.
- While waiting for the other members:
 - Visit the local stores for necessary supplies
 - Make arrangements for late-comers
- Organize an RDANA team meeting upon arrival on site

RDANA Team Meeting Agenda

1. Assembly and introductions
2. Review of objectives and current situation
3. Division of tasks and discussion of responsibilities
4. Reporting procedures

Meet with Local Contact Person

1. If possible, request for a formal briefing with the contact person
2. Present what the team can offer
3. Example of contact person: Incident Commander

Things to Discuss with the Contact Person

- ☐ Team profile
- ☐ Terms of Reference (what the team can offer)
- ☐ Situation updates
- ☐ Summary of damages in the area
- ☐ Current local capacities and immediate needs
- ☐ Other matters

WHAT DO YOU EXPECT IN AN RDANA MISSION?

Department of National Defense
OFFICE OF CIVIL DEFENSE

**SERVING THE NATION,
PROTECTING THE PEOPLE**

Thing to see in an RDANA Mission

Death

Destruction

Stress

Anger

Social
pressures

Personal
anguish

Focus is the Key!

- Despite the possible worst situation, stay focused on the mission.
- The safety of the affected community depends on the results of your mission.

Have a Good Interaction

- Level of expectations
- Have a good understanding of the interactions and operations performed by the Team members.

Team Debriefings

- Conduct as often as needed
- Assess what has been done for the day
- Monitor progress, track personnel and plan for next activities
- Boost the morale of all RDANA members

QUESTIONS?

 - Briefing File
- One must also consider expectations in the field
- And, expectation in an RDANA Mission

Module Objectives

Upon completion of the module, the participants will be able to:

1. Determine the personal preparedness measures necessary for RDANA members;
2. Identify the pre- departure arrangements to be facilitated by the EOC for the RDANA teams.

Module Objectives

3. Discuss the RDANA Briefing Files;
4. Explain expectations in the Field and;
5. Identify Steps involve in RDANA Mission.

Learning Insight

Don't waste life in doubts and fears; spend yourself on the work before you, well assured that the right performance of this hour's duties will be the best preparation for the hours that will follow it.

- Ralph Waldo Emerson
